Dear Director;

10 mailed
4/28

Would you kindly mail me about 10 copies of the "Invitation" to the Hall of Fame ceremony of unveiling of the busts and tablets to Susan B. Anthony and Thomas Paine on May 18, 1952?

None of them may be able to attend the ceremony but I would like them to have a souvenir of the occasion - as they were all helpful in securing the election of Susan B. Anthony.

Yours truly,

Una R. Winter
